REMINDER

BPF reserves the right to one successful flush or may partner with the new owner on two, at the buyers convenience.

BPF reserves the right to collect genetic material (DNA) for cloning purposes on all animals sold. This right transfers with the ownership of the animal for the life of the animal.

Watch for details on the spring 2011 Bull Sale, along with future special embryo sales.

Check out our embryo packages consigned to the Donors on Ice Sale at the North American International Livestock Expo.
